CERTIFICATION APPLICATION
Certified Raindrop Practitioner (CRP)
& Licensed Spiritual Healer (LSH)

Those that have completed the first 72 hours (first 11 Requirements) of the CARE Certification Program are eligible to become a Certified Raindrop Practitioner (CRP) under the auspices of the NTCB and may also opt to become a Licensed Spiritual Healer (LSH) under the Federation of Spiritual Healer Licensing Boards (<http://FSHL.com>). To be a LSH, one must also be a CRP. Becoming a LSH, in addition to becoming a CRP, is optional, however, unless you are already licensed in a recognized profession, you will need to be both a CRP and LSH to practice legally in all 50 States of the U.S. and 10 Provinces of Canada.

Please check next to applicable certification request. Certification and/or licensing is good for one year.

I have completed the first 72 hours (first 11 Requirements) of the CARE Certification Program. I am applying for CRP certification (and LSH licensing) as indicated below. I understand that certification / licensing is for one year and renewal is contingent upon accumulating 20 Continuing Education Credits (CEUs) during that time, as detailed in the CARE CCI Handbook. I also understand that in performing vitaflex, raindrop technique and other modalities within the scope of aromatherapy practice that, as a CRP (and LSH), I will use only Young Living Essential Oils and uphold the standards of the Center for Aromatherapy Research and Education (CARE International).
